**ARE RICH ARMENIANS NOT DOING DUTY?**

London, June 10.—Relief work in Trans-Caucasia where there has been untold suffering should be taken from the hands of the Armenians as far as possible and wealthy Armenians, of whom there are many, should be compelled to bear some of the financial burden, in the opinion of an American observer who has submitted a report to official quarters in London. He does not attempt to belittle what the Armenians have suffered and will suffer, but suggests that Armenians who are in a position to help their countrymen have depended too much on relief from America.

The Best Way to Treat Constipation

BY S. C. BABCOCK, M. D.

The medical books name many drugs that will move the bowels. The drug store shelves are loaded down with laxatives, purgatives and pills. The trouble with most of them is the after-effects. Constipated people know that pills work all right for a little while, but they soon lose their effect, and a change has to be made to something else. The constant taking of pills results in a form of bowel inactivity that is difficult to cure. The system becomes so accustomed to laxative drugs that the organs just won't work without them, and so the pill habit becomes as bad as constipation itself. Dr. Pierce, of Buffalo, N. Y., seems to me to have the right idea. He says the bowels should first be gently moved with Pierce's Pleasant Pellets, and in the meantime laxative foods only should be eaten. Figs, prunes, olive oil, spinach, bran, vegetables and fruits are fine for constipation. Chew every bite thoroughly, eat little meat, and be as active as possible. Now, doesn't that seem sensible? Pleasant Pellets will start the bowels working right; then it is up to you to keep them right by right eating. Try Pleasant Pellets for sick headache, coated tongue, biliousness, dizziness, torpid liver or to break up a cold. They are just fine!

Dr. Pierce's Anodyne Pile Ointment soothes, cools and heals piles in a most gratifying way. Perhaps there is no other remedy for this torturing trouble that relieves so surely and quickly. Dr. Pierce believes Anodyne Pile Ointment will overcome any case that can be overcome by medical treatment. Try it right now.

Dr. Pierce's Anuric Tablets are intended for people who suffer from kidney disorders—whose backs ache, and whose systems are overrun with uric acid. Nearly everybody has too much uric acid. Anuric Tablets dissolve uric acid quickly, as they are made double strength.

**OUR TOWN**

There's a land of charm and beauty,  
Out near the western brine;  
With valleys fair and mountains grand  
Adorned with fir and pine.

And thru this land a valley cleaves,  
The darkling wood and vale beside,  
And all along its winding course  
Pours turbid Rogue's unharnessed tide.

Beside this stream with current deep  
Where roar the White Rock falls,  
Enmeshed in glades of flower and vine  
Our City reigns,—fair "Marble Hall."

A city fair with every charm,  
Fit subject for a poet's lay;  
Where wild birds sing and flowerlets bloom,  
And sunshine gladdens every day.

There's health in balsam laden air,  
And breeze-cooled starry night,  
Where every vista's passing fair,  
And every day is bright.

—C. M. Cline.
